

BITS AND BYTES

5th Edition - September 2022

The Monsoon Celebration

All hands on deck!

*Far up in the deep blue sky,
Great white clouds are floating by;
All the world is dressed in green;
Many happy birds are seen,
Roses bright and sunshine clear
Show that our lovely Monsoon is here.*

Back to school and activities galore, there is never a dull moment at Birla High School-Mukundapur. Even the monsoon failed to dampen our spirits as fun thematic lessons to specially curated assemblies engaged our students. They swept through each event with smiles on their faces. The phrase 'learning is fun' simply embodies the walls of our classrooms.

Championing the message 'Health is Wealth' on National Doctor's Day, dreaming with Nelson Mandela on his birth anniversary, saluting our flag on Independence Day, singing praise to Lord Ganesha on Ganesha Chaturthi or flying kites on Vishwakarma Puja, our students did it all. Whether it is within the four walls of the classroom or beyond it, each activity elevates the social consciousness of our students.

As the rains poured incessantly outside the school building, our students were up to all kinds of fun learning indoors. Let's take a look.

Unforgettable Victories

Sapphire House conducted an **Inter- House Kabaddi** Competition on 29th August, 2022 at the school campus for Classes V - VII. The event comprised four rounds. The students of Garnet House were declared winners.

Investiture Ceremony

The investiture ceremony was held on 15th July, 2022. Mrs. Satabdi Bhattacharjee, Principal - Newtown School, was the Chief Guest for the ceremony. The council members pledged to work as a team, lead by example, maintain discipline and take the school to greater heights of glory.

Inquizitive - an Inter- House Quiz Competition was held on 12th July, 2022 at the school auditorium for students of Classes III – V.

We teach subjects to empower students to think for themselves, to consider matters and to take part in the art of attaining knowledge. Knowing is a process, not a product.

Look at what we're Learning!

Nature is a tool to get children to experience not just the outer world but **themselves**. Students of class III went beyond the confines of the classroom and on a nature walk to study the different parts of a plant.

Class V showing us a **working model** of the **human hand** and the importance of muscles in its movement.

Students of class III compiled a **timeline** of the **Indian Freedom Movement**. Working as a team helped them improve their interpersonal and intrapersonal skills.

The art of teaching is the art of assisting discovery – Mark Van Doren.

Budding? Architects

Students of class VI made models of **Geometrical cities** using 3D shapes. How fun!

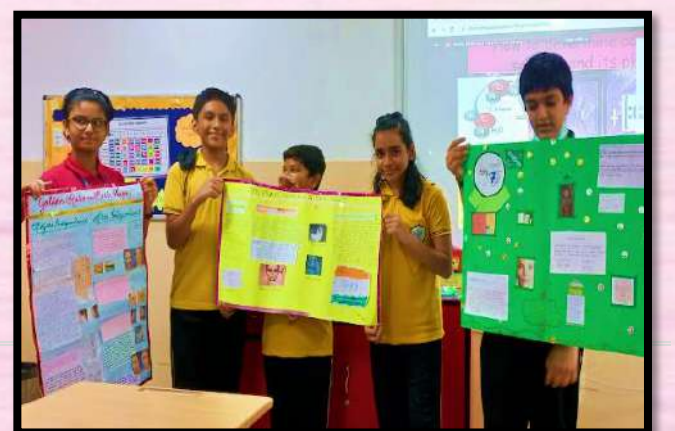

Global Exchange Programme

Character analysis of Ravana by the students of Excellence English School, Sri Lanka

Our **hot lava survivors** of Class VII worked on a project on the topic '**Application of Golden Ratio in Plastic Surgery**'. They made a chart showing the development in the field of plastic surgery since independence.

Festivals promote diversity, bring students into dialogue, increase creativity, offer opportunities for civic pride, and improve our general psychological well-being. They make school an informative and better place to study in.

Friendship Day

Janmashtami

Ganesh Chaturthi

Independence Day

Life becomes a festival when gaiety and culture blend.

Rath Yatra

#Fest Fiesta

Birla High School-Mukundapur participated in The Inter School Annual Cultural Meet, 2022 organised by Sahodaya School Complex, Kolkata organised on 23rd July at Gyan Manch on the theme '**Azaadi ka Amrit Mahotsav**'. The event was hosted by Abhinav Bharati High School. Students put up a flawless dance performance.

Jhankriti 2022 – Birla High School-Mukundapur participated in the virtual Classical Arts Competition organised by World Forum for Art and Culture in collaboration with the Ministry of Culture, under the category of Solo Classical Dance and Solo Singing.

Our students participated in the inter school chess championship organised by the University of Engineering and Management on Saturday 24th September.

Our little visionary **Raima Guha** (right) has been bitten by the creative bug. This has led her on a journey of transforming simple looking pencils into vibrant ones. Keeping her client's requests at the forefront, she designs cloaks for their pencils. The only reward she expects are honest feedbacks and reviews. We wish her all the success.

"There is joy in sharing with others."

BHSM celebrating Daan Utsav

D.E.A.R – Drop Everything and Read - an excellent initiative conducted every Thursday to encourage children to read.
