

“Create with your heart and;  
Build with your mind.”

Letter **M** was introduced in an interesting manner wherein the students of Nursery brought their candid photographs and created a collage with the caption '**Me**'.

Students were asked to hunt for letters and phonic sounds in the newspaper. This helped them in letter identification.

The KG students enjoyed a game called '**Fire on the Mountain**', in which they ran around in a circle and sang, "Fire on the mountain, run, run, run!" This continued until the teacher displayed two placards of single digit numbers and instructed them to add them up and form a group pertaining to the final score.

The energetic students of Nursery were engaged in a fun-filled activity to strengthen their concept of "Big and Small." They crossed many hurdles like slide and tunnel to choose between big and small objects and group them accordingly.

The students of kindergarten imagined themselves availing different modes of transportation, pretending to be riding a bus, train or car. Through this activity they learnt about the traffic rules.

The Students of Kindergarten experienced a hands-on 'Oreo Choco Balls Mixing Activity' with crushed Oreo biscuits, condensed as well as liquid milk. This activity not only helped them to learn to follow instructions but also enhanced their motor skills.

Students of Nursery celebrated Guru Nanak Jayanti by chanting Mool Mantar and invoking Guru Nanak's blessings. They enjoyed 'kada prasad' during break and were also taken on a visual tour to the Golden Temple in Amritsar. An art work on "Ik Onkar" was done in the scrap book.

The students of Class I enjoyed coming out of their classrooms into the open and paying a visit to the school garden. It enriched their practical knowledge of the environment around them as they could identify different kinds of plants.

### LITTLE EXPLORERS!

The students of class I went to the school temple as a part of their outdoor conversation class. They observed the temple premises and the idol of the Goddess Saraswati and expressed their opinion on the same. They also chanted verses and sung the Saraswati Vandana. It was indeed a great learning experience for the young learners.

The enthusiastic students of Class I celebrated Guru Nanak Jayanti by paying a visit to the Gurudwara. The Gurudwara Sikh Sangat committee members arranged for special prayers to be offered for the wellbeing of our students followed by the distribution of Kara Prasad.

### LEARNING WITH PLEASURE...

Creativity is connecting things and learning in a play way method. The students of Class I created a well decorated flip book using colourful paper cut outs, drawings related to Christmas and rhyming words.

The SST teachers collaborated with the Art teachers to take the pupils back to the era of the Egyptian Civilisation. The students also made the cuneiform seals of the Mesopotamian Civilisation and the Harrapan script using play dough.

### STORY TELLING

The students of class VIII took part in an interactive storytelling session in the second language class.

### MASTER CHEF

Lessons on life skill and gender equality are imparted through the Club activities.

### ART INTEGRATED LEARNING

The students of class III enjoyed learning about the respiratory system by creating a working model of

the lungs. They also checked the heartbeat of their peers with a stethoscope. They were amazed to see the skeleton in the school's research lab. The hands-on

experience of different activities made learning fun for them.

## ASSEMBLIES

*Selflessness is its own*

*reward*

*World Soil Day*

*Gratitude*

*The Spirit of Christmas*

## Field Trips

Field trips provide alternative educational opportunities for our students. Not only did they enjoy themselves but also gained knowledge outside the four walls of the classroom.

## Financial Literacy

Financial Skill learning programme called FINLIT was organised for the students of Class IV in association with IFEA (Investors Financial Education Academy), Chennai with the mission to empower children with the knowledge and skills essential for successful financial decision making which is the need of the hour. This program on financial literacy focuses on the knowledge children of today's generation need, which will help them to make correct and informed monetary decisions and stay cautious.

## Unity Run

On account of Sardar Vallabhbhai Patel's birth anniversary, Birla High School Mukundapur conducted the "Unity Run" encouraging students to have faith in team work and unity. The students ran unitedly, holding placards which exhibited powerful quotes on unity. The teachers, pupils, management, staff and the entire team gathered in the field to take the solemn unity pledge. The National Anthem marked the end of the session.

## EXCHANGE PROGRAMME

The students of Birla High School Mukundapur established the mythical link with their counterpart. The Excellence English School, situated on the island of Sri Lanka in the Indian Ocean.

## Halloween Celebration

The students of class III celebrated the Halloween Festival on October 31st, 2022. A wide range of thematic lessons that are woven into our curriculum help creating awareness amongst pupils thereby enabling them to grasp the concepts with greater ease. Halloween has been incorporated as a thematic lesson, to imbibe the spirit of global citizenship among the pupils.

## CBSE

### Activities

#### Veer Gatha

We had the honour of inviting Brigadier Ashok Kumar Ganguly, Sena Medal Bar, to our school for an

interactive session with the students which instilled a sense of patriotism and pride among them.

It was followed by an Essay writing competition for the students of class III-IX.

As a part of the various skill development activities conducted by CBSE, the students of classes VI-IX participated in:

CBSE  
Reading  
Challenge  
2022-23

Arya Bhatta  
Ganit  
Challenge  
2022

Indigenous  
Sports

## Sports Facilities

In Birla High School Mukundapur, we believe in holistic development of our students. Keeping this in mind, the after-school sports facilities are provided to the students of classes V-IX. The twice a week sessions are thoroughly enjoyed by the students.

## FIFA- Football Fever

## Saraswati Staphna

The construction of a temple in the school premises further heightens the students' belief in the almighty.

## Medical Check Up

A fit body and calm mind  
can work wonders!
